David W. Victor**AMENDMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to a non-final office action dated July 6, 2005 ("Sixth Office Action"), in which the Examiner rejected pending claims 1-40 as obvious (35 U.S.C. §103) over cited art. On October 28th, the attorney for the Applicants and the Examiner held a phone interview in which an amendment to the claims was discussed to overcome the prior art rejections. The Examiner indicated that the discussed amendments may distinguish over the cited art and that he would reconsider the rejection in view of these amendments. Applicants amended the claims as discussed and submit that all pending claims are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 13.
